

Website Privacy Policy

Welcome to the Complaint Tracking website for the Navajo Nation WIC Program. This Privacy Policy applies only to this website.

As a visitor to <https://complainttracking.mynnwic.com/>, *no personally identifiable information*, such as your name, e-mail address, or Social Security number is collected when you visit this website unless you choose to provide that information to us.

This website uses Google Analytics, including Google Analytics Demographics and Interest Reporting to collect information about website users. This data helps us make informed website improvements and make the website more useful to you. The types of information collected may include the date and time of your visit; the website pages that you view; the address of the website you came from prior to your visit to <https://complainttracking.mynnwic.com/>; and your age, gender and interests (as indicated by Google). Using [Google Ads Settings](#) you may opt out of Google Analytics for Display Advertising and customize Google Display Network ads. You may also use [Google Analytics' currently available opt-outs for the web](#).

What are my options for providing personal information?

Information sent to us electronically is not necessarily secure against interception. If your communication is private or includes personal information such as your Social Security number, you may want to send it by postal mail or contact us by phone.
